Please bare with us in accommodating you with parking. Good luck shooting and enjoy the CYSSA/SCCTP/AIM junior shoot weekend at Kingsburg Gun Club.

Pets:

We all love our pets but it would be a great help if you could leave them home or make other arrangements for them this weekend of shooting. Your responsible for cleaning and picking up after them. Starting Monday 22nd and the California State Shoot all pets are to be confined to the East end camping area and are not allowed outside of the marked boundaries at any time. This is strongly enforced. All dogs(pets) must be on a leash when their outside of your vehicle or camper and are to be walked in this area too. NO DOGS, PETS ALLOWED at any time on the shooting line including the East end camping area, food serving areas, eating areas, club house area, beach area, front "River" camping area, and "The Hole" camping area.

Kingsburg Gun Club appreciates your cooperation with this policy.

Camping:

It would really help us organize if you would be here Friday or even earlier because of congestion if you want to camp for the CYSSA/SCCTP/AIM weekend and or the week for the State Shoot. \$10.00 a night. Spaces are approximately 20'x30'. Bring your trailer or tents in early and return for the weekend. You must be assigned a camping space before you set up so your not in one that is already taken. There will be someone there to help you with getting a space or you can e-mail the address below. Your car or tow vehicle must park within or on the end of that space. NO PETS ALLOWED at any time in the "River" or "The Hole" camping areas. If you have pets you can only camp in the East end camping area called the "Gobi Desert". For camping information e-mail **mwinslowwoods@gmail.com**

Day Parking:

Parking for the day will be at the East end and the rifle range. All other parking will be assigned as to not to interfere with the main camping areas. Assistance will be on the grounds to help you park. We will do our best to accommodate you for making a good and enjoyable weekend.

There will be "no day time parking" in the front "River" camping area or the camping area behind the shop known as "The Hole" unless we have given you permission and a space to park for the day. Please park where you are shown or assigned to park, this will be a big help.

These camping areas need to be left open and not be congested for the reserved State Shoot campers coming in with trailers, otherwise no parking allowed in camping areas at any time. These are for trailers, tow vehicles and RV's. We appreciate your cooperation in working with us.
